

DEPARTMENT OF OBSTETRICS AND GYNAECOLOGY

1. About us:

The Department of Obstetrics and Gynaecology holds expert and experienced faculty who graduated from prestigious institutes who constantly update themselves and work to achieve the benchmark in the real of knowledge and teaching. This department works round-the-clock, taking care of around 4000 -5000 outpatients and 1800-2000 inpatients per month in the department of Obstetrics and Gynaecology and brings students in vital medical contact with patients. Here students gain sound knowledge of the various systems in use in the hospital for patient monitoring and care. This exposure is supplemented by theoretical sessions with the help of advanced teaching techniques and learning aids that are present in all the lecture halls. These facilities are put to good use by the practicing faculty that make up this department. The faculty members, besides practicing medicine, conduct Continuing Medical Education (CME) programs and attend national and international conferences to exchange knowledge on the progress made in different areas of medicine.

2. Department academics:

1. MBBS:

- a. MBBS - 150 students per year
- b. Clinical class daily from 8.00 am – 12.00 pm.
- c. Early clinical introduction class for professional year II (phase 1 and 2) students on Thursdays
- d. Clinical Class (as per schedule) /lecture classes for professional year III on Fridays and Saturdays.
- e. Clinical class (as per schedule)/lecture classes for professional year final on mon/tues/wed/friday
- f. Elective posting in LaQshaya for professional year final (6th semester)
- g. TAT Training/LS training
- h. Cemonc training
- i. Colposcopy training
- j. VIA VILI Training
- k. PPIUCD training

2. MD/MS

- a. MD/MS OG - 16 Students per year
- b. Theory
- c. Clinical (case presentation and discussion)
- d. Symposium
- e. Journal Club
- f. Group Discussion
- g. Clinico pathological class
- h. OSCE
- i. Viva
- j. Seminar
- k. Grand Rounds
- l. Guest Lectures

3. B.Sc Technician courses: Critical Care Medicine ,Physician Assistant
Clinical and theory classes for paramedical students.

3. Infrastructure

- a. Lecture halls – 2
- b. Clinical Demo rooms –3(20*20)
- c. No. of seminar rooms-2(100*30,60*20)
- d. Museum –1
- e. Library – 1
- f. No.of rooms in opd-25 ,IPD-50
- g. NO.OF LABOUR ROOM-2
- h. No. of delivery tables-17
- i. No of ot-4,OT tables-6
- j. Eclampsia room-available
- k. Live streaming with WIFI connection available
- l. Audio-visual equipment available
- m. Bedside Ultrasonography and Echocardiography available
